ANIMALS

Blind

naked mole rat and friends were
playing in the garden

when they encountered
a serpent

i have this
nice juicy
apple for you

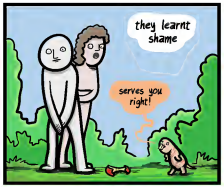

eat and your eyes will
open to the truth!

want a
bite?

nah thanks

they learnt
shame

serves you
right!

they had to leave the garden

leaving behind a blind
naked mole rat

wait...

A cartoon illustration of a pink, segmented worm-like creature with a single eye and a small mouth, crawling on a green lawn. A speech bubble above it contains the text "got any more apples?". In the background, there are green bushes, a tree with a brown trunk, and a blue sky. The creature has some red markings on its back.

got any more
apples?
